

Section 1: Eligibility and Requirements

- 1) Capitol Mall Employees (as defined in IDAPA 38.04.04: <https://adminrules.idaho.gov/rules/current/38/0404.pdf>) with a physical disability may apply for a reserved parking space in a Capitol Mall parking area.
- 2) Reserved handicap parking spaces are available at the monthly fee for general parking. If you do NOT currently have a parking deduction in place, you must pay the basic fee for every month you will need the space.
- 3) You must submit a statement from a physician stating the **duration** and **extent** of the disability, **and** proof of a handicap parking placard or license plate from the Idaho Department of Transportation.
 - a. "Duration" must be specific, & may take the form of a period of time (i.e. "3 months"), or as an end date.
 - b. "Extent" does **not** require a description of the disability; your physician can simply assert that it is their professional medical opinion that you need a reserved parking space.
